BREAKING NEWS TETOUAN & RABAT UPGRADED TO **CSI2***

Morocco Royal Tour 2026: Following El Jadida's upgrade to CSI5*W and CSI2*, Rabat and Tetouan also move up from 1* to 2*.

The Morocco Royal Tour continues its development for the 2026 edition, marked by an overall upgrade across the entire circuit. Following the recent announcement that El Jadida will now host CSI5*W and CSI2* competitions, Tetouan and Rabat legs will also take a new step forward with the transformation of their CSI1* classes into CSI2* events, alongside the CSI4*W competitions already on the schedule.

This evolution reflects the Morocco Royal Tour's ongoing commitment to continuously strengthening the sporting level of the tour, while offering more opportunities for riders and their horses. The new CSI2* format will notably allow riders to compete with younger or developing horses alongside their top horses entered in the CSI4*W. This approach supports both the sporting development of the horses within a high-level environment and the overall quality of the sport.

Among the highlights of the CSI2* competitions will be a 1.45m Grand Prix, further confirming the sporting ambition and growing attractiveness of the different legs of the circuit.

With this new momentum, the Morocco Royal Tour further consolidates its status as a leading tour combining sporting excellence, high-quality organisation, and the international influence of the Kingdom of Morocco on the global equestrian stage.

See you in Tetouan, Rabat and El Jadida for a 2026 edition that promises to be one of the most competitive and spectacular in the history of the circuit.

About the Morocco Royal Tour

Founded in 2010, the Morocco Royal Tour has established itself over the years as one of the leading circuits on the international equestrian calendar and remains the only show jumping circuit in the world staged over three consecutive weekends in three different cities. For more than fifteen years, it has embodied the Kingdom of Morocco's ambition to develop top-level equestrian competitions and secure a lasting presence on the international sporting stage.

From its earliest editions, the Morocco Royal Tour has stood out for the quality of its venues, the excellence of its organisation and a strong identity that blends Moroccan equestrian tradition with international sporting standards. Over time, the circuit has continued to evolve, both sportingly and structurally, attracting year after year some of the world's leading riders and horses.

The Tour's unique format is built around a coherent sporting progression across three complementary stages. It begins in Tétouan, at the Royal Guard Stud Farm, a symbol of the Kingdom's equestrian heritage. It then moves to Rabat, the capital of the Kingdom and home of the Royal Moroccan Federation for Equestrian Sports, notably host of the prestigious Nations Cup. The grand finale takes place in El Jadida, at the Exhibition Park, during the Salon du Cheval, with the Grand Prix of His Majesty King Mohammed VI as the highlight of the circuit.

Beyond competition, the Morocco Royal Tour is part of a long-term vision aimed at structuring and promoting the Moroccan equestrian sector. Through its progressive development, the continuous elevation of its competition levels and its unwavering commitment to excellence, the circuit actively contributes to Morocco's sporting, cultural and institutional influence on the international equestrian stage.
